the menu please**

Faim de loup ou appétit d'oiseau ? Veggie ou amateur de bonnes viandes ? Sur le pouce ou nappe blanche ? Toutes les pauses déjeuner sont possibles. Des sushis aux sandwichs, des poke bowls aux mezze, des huîtres aux tournedos, il y a forcément ce dont vous avez envie !

Maybe you could eat a horse, or perhaps you usually eat like a bird? Are you vegetarian, or do you like a good steak? Is a quick snack on the go ok, or do you prefer crisp white tablecloths? Whatever your lunchtime preferences you won't be disappointed. From sushi to sandwiches, from poke bowls to mezze and from oysters to tournedos, there's definitely something that'll take your fancy!
